#### A LOTUS SENSATION

The Club Adjunct of J. W. Ruhlandt's Saloon Getting Ready to

BUILD A NICE \$15,000 CLUBHOUSE.

Forced Out by Judge White's Prejudice Against Social Bodies,

THEY WILL PROCEED TO GO IT ALONE

While the members of the Lotus Club will revel in the enjoyment of their annual reception to-night at Odd Fellows' Hall, they will enjoy it the more for knowing that a business meeting will be held at the club rooms to-morrow which will be of the utmost importance, because it means nothing less than removal from their present quarters, J. W. Ruhlandt's saloon.

This question has been in the minds of the club members for some time, and the scheme was greatly encouraged by the fact that Judge White considered the club an objection to granting Ruhlandt his license. Billy has been the idot of all members of the Lotus Club, and they were greatly grieved that he had to suffer any criticism on their account.

The scheme was at once brought to a tangible form, but everybody thought it better not to have it made public too soon, be-

THE JUDGE MIGHT MISCONSTRUE the club's action. To-morrow night, however, measures will be taken to provide for the removal from Ruhlandt's place by

As far as has been learned from the promment members of the club, it is the intention of the members to erect a new building, which will afford ample accommodation and conveniences for the club. The organization has never been in better condition than it is at present, and the treasury is well supplied to allow them to display their tastes and accomplish their wishes.

The building is to be an exact model of the Duquesne Club, as far as possible, though not so large or extravagant. Elegant reading rooms, reception halt and dining room will be arranged, and a large library, billiard rooms and bowling alley will be attached

EVERYTHING TO BE COMPLETE. A permanent restaurant will be one of the new features, and a resident steward will superintend the club. A member of the Lotus, in speaking of the new building,

said to a DISPATCH reporter vesterday: "We intend to make the new clubhous as fine a building as we can afford. It will be situated somewhere on the Southside, nlthough the location has not yet been de-termined upon. All that, I suppose, will be discussed at Friday's meeting. As to the amount we propose to expend, I think that will also be fixed later. But from \$10,000 to \$15,000 will be about our mark I dare say. We are sorry that we have to leave Billy Ruhlandt's place, of course, but sooner than be against his interests we would break up the whole club."

#### FRAUD IN SCRAP IRON.

A Firm Paid for Over a Million Pounds They Never Received.

ALLENTOWN, April 24.-Ex-Burgess Philip Storm, of Catasauqua, was arrested 862 61. A capias was also issued for the arrest of John W. Hopkins, the present Burgess of Catasauqua, but he cannot be found. Hopkins was Assistant Superin-tendent of the Catasauqua Manufacturing Company, and weighed the scrap iron fur-nished by Storm.

He made false entries and the money paid for scrap iron in excess of what the company actually received is alleged to have been divided by Storm and Hopkins. Storm was placed under \$13,000 bail. The amount of scrap iron paid for and not received amounted to 1,483,105 pounds. The fraud has been carried on since 1886.

#### PHILADELPHIA ALSO KICKING.

The Authorities Will Endeaver to Place the Wires Under the Ground.

PHILADELPHIA, April 24.—The subject of removing the poles and wires from the streets of the city came up for consideration to-day before a sub-committee of the Committee of Councils on Law, to which had been referred the resolution offered in Select Council, "Directing the Director of Public Salety to notify the several telegraph, tele-phone and electric light companies to renove all the poles and wires from the streets in the built up portion of the city by the let day of October, 1889."

Firebugs at Parker-Railroad Buildings and Postoffice Burned.

SPECIAL TELEGRAM TO THE DISPATCH. PARKER, PA., April 24.-The Valley depot and freight house, Phillips House and the postoffice, on the Clarion side of the Allegheny Valley, at Parker, were destroyed by fire at 10 o'clock this morning. The origin of the fire is supposed to be in cendiarism. The hotel has not been occupied as a hostelry for a long time. A bad gang had made the house their head-quarters, and the fire originated in that building.

CLEVELAND, April 24 .- E. L. Whit taker, bookkeeper and confidential clerk for the plumbing firm of Smith & Connors, has 77 Water street. been arrested for embezzling the firm's money. The shortage is said to be \$11,000. Whittaker has been employed by Smith & Connors for five years.

He declares that he is a member of the

firm, and that the shortage can be ex-plained. The prisoner was held in \$1,500

#### MICHIGAN'S LITTLE IDEA.

How Capital Panishment May be Inflicted in That State.

LANSING, MICH., April 24.-The House to-day passed the Abbott capital punishment bill. It is not a radical return to capital punishment. It requires in case of convictions for murder that every juryman must sign a written verdict recommending the death penalty before it can be imposed, and even then the trial Judge may exercise discretion and make the sentence life imprisonment. The execution may be by hanging or by a shock of electricity.

Pittsburg and Allegheny Presbyteries Further From Union Than Ever.

Whenthe Pittaburg Presbyteryreconvened in the Park Avenue Presbyterian Church yester-day morning, the first business of note taken up was the proposed consolidation of the Pres-byteries of Pittaburg and Allegheny, which would place the Presbyterian churches of Allegheny county under the control of one body.

The Committee on Consolidation presented a report strongly in favor of the project. It was as follows:

Was as follows:

Whereas, The people comprising the Presbyberies of Pittsburg and Allegheny are theroughy
homogeneous and very closely related in social
and business matters, and

Whereas, No dividing line can be established
between them which will not separate members
belonging to the same congregation and interests
which should be mutual, and

Whereas, The rapid growth of both Pittsburg
and Allegheny and the surrounding regions de-

and Allegheny and the surrounding regions de-mand most exmest and greatly increased efforts, so that we may be able to overtake the opportuni-ties which are before us in the way of church ex-

tension, and

Whereas, It seems to be very desirable that vig-orous efforts should be put forth with as little delay as possible to provide for a church home in our midst where our denominational interests might be concentrated and cared for, and one in might be concentrated and cared for, and one in which we might all have a common interest, and to provide which we might be led to put forth our united efforts. Therefore Resolved, That we deem the union of these two presbyteries as both desirable and expedient, and would therefore recommend them to take such action as may be necessary to bring about a permanent union of the same by a merging of the Alleghbay Presbytery into the Presbytery of Pittsburg, and under the name and charter of the latter.

Pittsburg, and under the name and charter of the latter.

Rev. J. W. Maxwell took the floor in opposition to the resolution. He could not see that the Presbytery of Pittsburg would be benefited by joining with the Allegheny Presbytery, but it would be put to considerable expense.

J. H. Baldwin, Esq. favored consolidation. The Pittsburg Presbytery could join hand in hand with the Allegheny Presbytery in the great work of this field, and the united body would be very successful. David Robinson took the same view of the case.

Rev. J. T. Patterson was opposed to consolidation. He said Allegheny Presbytery was not doing anything to help itself, and would only be an expense to Pittsburg. Dr. Purves spoke in favor of the consolidation, and the morning session adjourned.

On reassembling in the afternoon a vote was taken, and the resolutions were defeated by a vote of 18 ayes to 3's noes. This ends the consolidation project. Allegheny Presbytery had voted for it, but the action taken yesterday ends it.

Rev. J. F. Hill presented a resolution on the prohibition amendment, which was amended by J. W. Chalfant, and passed in the following shape:

Whershas, Our Presbytery, Synod and General

shape:
Whereas, Our Presbytery, Synod and General
Assembly have most explicitly and by reiterated
deliverance denounced the traffic in intoxicating
drink as a sin against (rod and a curse on our land

and race.

Now, therefore, the opportunity having been extended to the citizens of the Commonwealth of voting for the suppression of the traffic, this President of the traffic, the proportunity now afforded for the suppression of the traffic.

The election of delegates to the General As-sembly resulted in the choice of the following gentlemen:

Ministers—Rev. J. M. Maxwell, D.D.: Rev. J.
S. Plunmer, and Rev. G. L. Purves, D.D.
Elders—Dr. W. C. Bane, Dr. F. D. Davis, and
W. J. Alexander.

The next meeting will be held in the Knoxville Church on the second Tuesday of June.

INCENDIARIES ON TRIAL

One Plends Gullty and Testifies Against His Partner in Crime.

[SPECIAL TELEGRAM TO THE DISPATCH.] CHAMBERSBURG, April 24. - Charles Fendrick and Baker McClellan, two well known and wealthy young men of Mercersburg, were placed on trial here to-day for starting five fires in that place last summer which destroyed much property. Fendrick jumped his bail after his arrest and has been hiding in Canada until to-day, when he turned up in court and pleaded guilty to

two charges.

He then took the stand and turned State's evidence against McClellan, implicating him in the fires. The cases are still on last evening on a capias charging him with having assisted in defrauding the Catasauqua Manufacturing Company out of \$12,882 61. A capias was also issued for the

Horrid Torture.

This is often felt in every joint and muscle of the body by turns, by people who, experiencing the earliest twinges of rheumatism, neglect to arrest the malady, as they may easily do, with Hostetter's Stomach Bitters, a professionally authenticated remedy for the agonizing complaint. THURSDAY, April 25, 1889. April Showers .- Perhaps there's one in a hundred who doesn't need a medicine in the showery, springy April. To the ninety-nine we offer Paine's Celery Compound, with the guarantee that it is the medicine needed in the springtime.

Why? Because spring debility affects the whole system, and to overcome it a medicine that will purify the blood, strengthen the nerves and at the same time regulate liver, kidneys and bowels, is needed. Paine's Celery Compound is such a medicine.

It is guaranteed entirely vegetable; it is a physician's prescription; your neighbors use and endorse it.

General W. L. Greenleaf, of Burlington, Vt., who was in the drug business for nearly twenty years, is familiar with the medicinal properties of its different ingredients, and says that as a general tonic and spring medicine he does not know its equal.

With a leap and a bound Paine's Celery Compound has jumped right into popular favor. It possesses such superior merit that it is going to stay there. Have you tried it yet?

NOT TOO LATE.

Miss Drayer, aged sixteen years, daughter of Mr. Wm. H. Drayer, a well known shoe dealer, had been afflicted with Club Foot fourteen years, causing great distress and annoyance to herself and family. There was such a contraction of the muscles that she could not straighten her limb, and although she wore the usual high heel shoe, it was impossible for her to bring her heel to the ground when walking. After suffering on in this condition for fourteen years, she consulted one of the surgeons of the Polypathe Surgical Institute, and was convinced that it was NOT TOO LATE to be cured. An operation was performed, and the deformity entirely removed, and although it is now three years since the operation, her cure has remained permanent. She walks perfectly, and has no turther use for a high heel shoe. Her father says: "For the benefit of others I hereby certify that the foregoing statement concerning my daughter's condition is true and correct. WM. H. DRAYER." ### Will It Wear Well?

It's a very sorry and shallow idea that cheapness is equivalent to goodness or economy in Clothing. They may be very far apart.

Nobody means to buy goods because they are poor and mean. You don't spend your money for fun.

Let any storekeeper try labeling Clothing — "Very cheap, but very poor for wear," and see how many of you would get your money out and hand it over.

You want every dollar to count: you want to pay as little as you can: to get as much as you can.

And we want you. We can give you that in reliable Clothing: that will not wear out till you have got your money's worth fully out of it. The quality isn't doubtful. It's plainly marked on every garment. It's as good and stylish as can be made. It's not cheap in quality, but it's that the kind you mean to buy?

Look well which you give your dollars for! Dependable quality is cheap: cheap isn't cheap. Wanamaker's sell the dependable.
